VIII. Faculty Advisors

Randy Taylor

- Thank you to everyone who helped to turn the Military Supply Drive into a success. On March 29th there will be the pack out at the Veterans Center at downtown Pleasanton. If you go volunteer there, you will get one community service point for every hour you spend.
- Open Heart Kitchen Drive starting today! (3/10/14). It will go through Friday April 4th, which is when we leave for the conference. You can also donate your time at the Open Heart Kitchen. We don't care what city you volunteer for, you will get one community service point for every hour spent.

- Teacher Appreciation Dinner: This is a very big deal and your teachers will not forget this night. The teacher doesn't have to be full-time nor in your major, just someone who has really made a difference to you. It will be on a Friday in early May; approximately 5:30-7:30 in the tutorial center on campus.
- AGS Scholarships: Formal application. We haven't decided on an exact due date, but it will be right about spring break. \$6000 up for grabs! You will need transcripts, answer some questions, and summarize all points. You can add in points/volunteering hours for other clubs for the scholarships. It won't count as AGS points, but it will still help. If you're awarded, you will be invited to the scholarship ceremony on May 13th.
- Make sure you are on top of your points. You don't want to be rushing at the end.
