- a. Teacher Appreciation Dinner
- This will be on May 9<sup>th</sup>, but the time is not yet decided.
  - Once you're sure of a teacher you want to invite, email Maggie immediately. Teachers are on a first-come first-serve basis. You can only choose one person.
  - We will be looking for some people to help organize the dinner.
- b. AGS Scholarship Applications
- Due April 8<sup>th</sup>.
- VIII. Faculty Advisors Randy Taylor
- Really encourage everyone to go to the teacher appreciation dinner. The most it will cost you is \$10. A formal invitation will be made up for the teacher. Please do not invite the teacher until you have the formal invite.
  - AGS Scholarship applications are due tomorrow. You don't need to physically see Mr. Taylor to turn it in, it just needs to be under his office door before 3:00pm. If you applied for LPC scholarships, most of your work is probably done (other than the impact statement and point sheets).
  - Bake Sales: Please participate. The more money we get from these, the more scholarships we can give out.
  - MISSSEY Drive: All donations will count as community service points. Every \$5=1 community service point.
  - State Convention: Very good convention. Must thank Ms. Flores—she did all of the behind the scene work for registration. She really handled the booth the entire time. We had five students nominated for the scholarships, and all five of them won. Next year we will be back to nominating only three students. The Regional

Conference will be at Mission College in Santa Clara on November 8<sup>th</sup>. The State Convention will be at Ontario in April 2015.

- March points need to be turned in so we can better judge for scholarships.

Adeliza Flores

- Really had a fun time at the state convention. Learned a lot. There was a ton of dedicated AGS advisors around the state. The convention was very packed with constant activities.
- Mr. Taylor put a ton of time and effort into the scholarship applications and nominees.
